Pipetite ReBoot can seal an existing penetration while allowing significant movement of the pipe. Pre-drilled holes make installation simple, and three sizes are available.

- Available in three sizes to fit piping up to 7" diameter
- Hygienic white silicone and 316 stainless steel
- Split design installs easily around existing piping
- Easily trimmed to size
- Totally self sealing - no sealant required
- Boot is flexible to accommodate movement
- No cracking of silicone
- 500°F temperature rating
- No clean-up after installation
- Materials compatible with cleaning solution
- Pre-drilled for quick and easy installation
